News and updates for a global audience

The world is growing together. Products that are consumed in America are developed in Europe, produced in Asia on German machines and delivered to their destination by Scandinavian freighters. Any company offering machinery, components and services for industrial applications needs to reach stakeholders all over the world 24/7 to achieve success.

INDUSTRY24H, the portal for international markets, addresses experts and decision-makers worldwide. News from the industry for the industry – with a clear focus on the long-standing expertise of the specialist media from the FACHWELT VERLAG: Chemicals, Food & Beverages, Pharmaceuticals, Water & Waste Water.

Every day round the clock, INDUSTRY24h shows current developments and presents advanced products, procedures and services. Be part of it, and benefit from a channel with a global range – for the sustainable growth of your company and the entire industry.

Yours sincerely

The company portrait

No matter whether a small family-run company or a large enterprise: The corporate portrait is a successful marketing tool for any company size. Apart from the presentation of the company’s development, it also serves as a source of information about your products, today and tomorrow, for interested parties worldwide.

The public image is decisive when it comes to the positioning of your strength in the global market – as well as to the generation of international clients.

Here, the corporate portrait offers you the opportunity to present the important facts of your company.

A detailed text with pictures and videos, with milestones and many other features – there are no limits to the possibilities: Be internationally present!

**Advantages**
- Integration of videos and image galleries
- Addition of up to six contact partners with contact data and photo
- Publishing and downloading of PDF files
- Links to Social Media platforms
- Integration of a contact form upon request
- No vertical or horizontal limitations for texts and images
- Responsive design – for all end devices
- We program your presentation according to your wishes and ideas
